Supervisor Ryan Clancy to Release Amendments Detailing Cuts to Sheriff's Budget, Shifting of Resources to Invest in Human Needs

15 Clancy-authored Amendments would cut \$2,660,286 from Sheriff's Budget to fund Parks and Housing needs, Senior Centers, Services for Youth, the Zoo, Library System, and the Office on African American Affairs

MILWAUKEE – Supervisor Ryan Clancy will announce more than \$2.6 million in proposed investments in County services - to be funded by cuts to the 2021 Milwaukee County Sheriff's budget - at an outdoor press conference on Wednesday, October 28, at 12:00 noon. Those who attend are asked to wear masks and maintain appropriate physical distance.

Supervisor Clancy will detail how, if adopted, his 15 proposed amendments would cut wasteful, unnecessary, or duplicative spending from the Milwaukee County Sheriff's Office and shift those dollars to fund essential County services, programs, infrastructure, and amenities.

Supervisor Clancy's proposed cuts are roughly equivalent to 60,000 hours of [overtime](#) costs for services that are discretionary and non-mandated, such as deployments of MCSO resources to events where MCSO services are not needed, either because local law enforcement is in control or because MCSO was not called upon for mutual assistance.

Clancy will be joined by several community leaders representing a variety of constituencies.
